# *Our History*

The historic John Long Home is now Sienna Ridge Estate's beautiful tasting room. It was lovingly restored by the owner Wayne Hitchings, who painstakingly rebuilt the home as close to original as possible.

The tasting room is located at 1876 John Long Road between exit 148 and 150 off the I-5 Interstate in Rice Hill, Oregon.

All Sienna Ridge Estate's distinctive grapes are estate grown.

The vineyard is nestled in the hills to the southeast of the tasting room, and is one of the few single vineyards in the United States with their own A.V.A. Red Hill, Douglas County, Oregon.

The sixteen foot deep volcanic red Jory soil, combined with an 1100 ft. elevation is perfect for grape growing.

We invite you to enjoy and share our many varietals that we are so proud to offer.

*Cheers!*
